UNEDA
UNITED NETWORK EQUIPMENT DEALERS ASSOCIATION

Dealer Membership (Traditional Membership – Voting & Non-Voting)

Designed for companies whose primary business is buying and selling used/pre-owned networking or server/storage equipment.

This membership category is designed for companies whose primary business involves buying, selling, brokering, refurbishing, or transacting in used/pre-owned networking or server/storage equipment, including IT Asset Disposition (ITAD), bulk-condition sales, and other secondary-market equipment transactions. Dealer Members participate fully in UNEDA's core community, gaining access to best-in-class peer networks, the Member Trading Platform, insights into counterfeit trends, advocacy efforts, educational resources, and more.

Why Join as a Dealer Member?

- Collaborate with industry peers committed to integrity and quality
- Educate and protect buyers against counterfeit and fraudulent products
- Access a secure, member-only online platform for transactions and networking
- Engage with industry leaders to shape secondary market standards
- One (1) free attendee per member company to UNEDA conferences

Pricing

- Voting Membership – $2,000 USD Annually
- Non-Voting Membership – $1,850 USD Annually

UNEDA voting members receive a vote in the governance of the organization, including voting opportunities on the UNEDA annual budget and Board of Directors, as well as any voting actions as required by the UNEDA Bylaws.
