Industry Services Membership (Non-Voting)

Specialized membership for companies and organizations supporting the secondary networking industry.

UNEDA's Industry Services Membership category is a specialized membership for organizations that support, enable, or provide services to the secondary networking marketplace rather than primarily trading equipment. Service Providers may include firms in logistics, testing, refurbishment, warranty services, software, certification, training, consulting, and other complementary disciplines vital to a healthy secondary market.

CORE Industry Services Membership – $2,000 USD Annually

UNEDA membership term runs from August 1 through July 31 and annual dues are required. Applications approved during the membership year will have dues prorated through July 31, with full annual dues applying at the start of the next membership term.

- Inclusion in UNEDA Member Directory as an Industry Service Provider
- Company name, logo, service category, and contact information
- UNEDA Member Badge / Industry Services Designation for marketing use
- Access to UNEDA events and networking functions
- Two (2) complimentary conference registrations (one conference annually)
- Hosted table or shared exhibitor space at one UNEDA conference
- Brand logo recognition on Conference materials & Signage
- Month-long digital banner ad on UNEDA Directory

PREMIER Industry Services Membership – $3,000 USD Annually
